

The Office for Research and Innovation is pleased to host:

The Research and Innovation Town Hall Series

This series gathers the research community to discuss updates on the [Federal Research Landscape](#) followed by a discussion on resources on Stony Brook campuses that support and drive research and innovation.

Join us for the next virtual research town hall of the 2025–2026 academic year.

Federal Updates, International Sites

Following the Federal Research Landscape updates, join a discussion about Stony Brook University's international research sites in Kenya, Madagascar, and South Korea. Hear directly from faculty with firsthand experience at these locations, alongside members of the Office for Research and Innovation, as they discuss research activities and how to get involved.

Monday, October 6, 2025
12 to 1 pm

All members of the SBU research community are welcome to attend.

Please visit the [event webpage](#) for the zoom link and more information.

Please direct questions to OPD_OVPR@stonybrook.edu or (631) 632-3127.
